Cancellation Policy

- If you have been allocated a place on a course and you do not attend, it will be necessary to charge you for the full cost of the course . To avoid this charge, you need to tell us about your cancellation seven working days before the course date. This will enable us to offer your place to someone else and will ensure effective use of our training budget.
- Seven working days notice will be required if a nominated person is to attend on your behalf. This will only be acceptable if there are no delegates on a reserve list.
