# NYGÅRD for Life

NYGÅRD For Life sponsorships include an annual endowment fund to CancerCare—a national nonprofit organization that provides free, professional support services for anyone affected by cancer.

Through this special fund, CancerCare is able to bring in world class researchers to work at the NYGÅRD sponsored Breast Cancer Tumor Bank. Ultimately, all monies raised through NYGÅRD for Life directly impact Breast Cancer survivors and further the much needed research to find a cure.
