Also Mr Cardoza,

I'd also like to speak to you regarding Mr De Fiori making Facebook threats to a Nevada Commisioner Yvette Durant. I have snapshots showing so and will forward these to you per your request. The money Mr De Fiori is referring to is money that I give her on a weekly basis. Mr De Fiori is, and am sure you know, a known psychotic drug abuser who goes in and out of reality. His rap sheet speaks for itself. He lost everything due to his drug abuse.

Please contact me for further.
