What's up son. Saw that even Facebook banned you now lol. No one cares, no one listened. Jail cell will be next. By the way, I just deposited my big load into Kathys ass last night and was thinking of you when I did so lmfao.

Still living off of Daddy's dollars? How's the job search? How did court pan out?

Good luck son

Let me just tell you some sucker, Kat is making \$800 a night on average. She's in a far better place than you.

Nick De Fiori [REDACTED] >

You're just now gettin some?
