2007 SEA RAY 520 SUNDANCER

"Pair A Dice" is one of the cleanest 52 Sundancer I have ever seen and is equipped with over \$60,000 in NEW Garmin glass touch screen color displays, NEW Garmin Autopilot, NEW Garmin VHF Radio and NEW Flir Thermal Night Vision Camera.

"Pair A Dice" was delivered to her original owner on the sweet fresh water of the Chesapeake Bay and has returned to our slips in Kent Narrows, MD. She is turn key, new bottom paint, Zincs and fully detailed awaiting your inspection and survey.
