2002 SEA RAY 260 SUNDANCER

This 2002 Sea Ray 260 Sundancer is the perfect first boat for those interested in exploring the Chesapeake Bay. The 8'6" beam makes for easy trailering and you will cruise with ease at approx 29 mph burning only 11 gph. The 260 Sundancer has a full galley with stove, refrigerator, microwave and storage. The forward V-Berth with table converts to a berth. It also has a mid cabin double berth with sliding window.

Also includes Shorelander Trailer dual axle with brakes and electric winch! Turn key and ready to go from New Hampshire to Florida, this 260 Sundancer has it all!
