HEALTH AND WELLNESS CENTRE

Building 404

Hayman Road entrance

The most direct entrance to the Health and Wellness Centre is the north entrance on Hayman Drive. Due to building construction there is a **temporary NEW entrance**. Note: this entrance is Left IN and Left OUT. After you enter the University turn left into Brand Drive (the University ring road).

Clinic Parking Bays

Free clinic parking is available for clients attending the Health and Wellness Centre from outside of the Bentley campus. Clinic clients external to Curtin can park in the marked Clinic parking bays in Car Parks **B7** and **B6** for the duration of their appointment.

All vehicles must be entered electronically to avoid a parking fine. Parking attendants scan all vehicle registrations to check if they are authorised to park.

ACROD parking bays are also available adjacent to Building 154 (Car Park **B4**).

NOTE: The previous paper parking permits have been discontinued.

To avoid a parking fine

- Clients provide reception staff with their car registration number.
- Reception staff enter the car registration electronically for the duration of the appointment.
- The car registration number is removed electronically by reception staff on the client's departure.
- If the Clinic parking bays are full clients may need to park in the unmarked area of Car Park B5. Please advise reception to register your vehicle for B5 to avoid a parking fine.
- Clients wishing to stay longer than their appointment time will need to move to general parking and pay by the hour using CellOPark (download the App).
- If a client brings a different car it is their responsibility to notify reception staff of the car registration to avoid a parking fine.

NOTE: Curtin staff and students are prohibited from parking in clinic parking bays.
