

RECITAL TIGHT ORDER FORM

ALL students will need to wear tights for their recital dance. You can order them through the dance studio by filling out the form below and handing it along with payment in to me no later than Tuesday April 3, 2018. See below for tight requirements and pricing if they are ordered from the dance studio. Students will need the proper tights by their scheduled picture day.

If you would like to purchase the tights yourself you can find them at Definitely Dance at the Whiteland Town Center in Exton or Longwood Dance Supply in Kennett Square

All students must have the exact same brand and color within each class so if you do not order through me please pick up a pair at one of the places above to ensure they match and you do not end up having to return them.
