

## Who we are

PrideStar Center for Applied Learning (PCAL) is committed to providing only the highest quality social, behavioral and educational supports to ensure our clients meet their potential as individuals and members of society. Services include assessments, direct skills training, positive behavior support, and parent/caregiver training. Services are delivered in the clinic, the community, or at home. Our clients range in age from 3-22 years with diagnoses across the Autism Spectrum.

## Job Description

We are seeking individuals interested in working as Behavior Technicians in a center based ABA program, with a willingness to also provide services in-home and in the community. Behavior Technicians provide direct one-on-one behavioral interventions to teach communication, social, and daily living skills, while reducing problematic behaviors in the treatment clinic, in home, and the community. Behavior Technicians utilize interventions developed and overseen by LABAs/BCBAs. Applicants must be dedicated, flexible and willing to learn. In addition, applicants must have reliable transportation.

## Responsibilities

- Provide direct client care in 1:1 and group settings utilizing a combination of intensive teaching and natural environment training procedures.
- Follow behavior reduction protocols based upon the principles of Applied Behavior Analysis.
- Implementing procedures and programs designed by a BCBA/LABA
- Collect, record, and summarize data on observable client behavior
- Effectively communicate with parents and caregivers regarding client progress as instructed by the Board Certified Behavior Analyst.
- Commitment to maintain client confidentiality and adhere to HIPPA laws.
- Ability to adhere to organizational policies, commitment to ongoing training and development as it relates to clinical skills, professional development, ethics, and technology
- Supporting the cleanliness and upkeep of the PrideStar facility

## Requirements

- Must be able to lift up to 50 pounds and be able to lift and carry clients with adaptive equipment.
- Must be able to assume and maintain a variety of postures (kneeling, squatting, crawling, sitting, standing) for extended periods of time.
- Must be willing and able to restrain/hold/transport and utilize quick body movements as indicated in clients' Behavior Intervention Plan in the course of working with children with challenging behavior.
- Must have manual dexterity to perform physical tasks as needed.
- Must be able to receive detailed information through oral communication and have visual acuity to read and comprehend written communication through computer, electronic devices, and paper means.
- Must have reliable transportation and be willing and able to travel

## Additional Information

- Bachelor's degree preferred
- Relevant experience working with children
- Hired applicants are responsible for completing and maintaining all required certifications and trainings including but not limited to CPR, First Aid, AED, Epipen, Fingerprinting, background checks, etc.
- Attendance at staff meetings and in-service trainings is required
- Hourly wage is commensurate with education, experience and qualifications
