## 2018 Annual Dinner Meeting Centennial Celebration

October 2017

Solano County Farm Bureau will be celebrating our 100 year anniversary. We would like you to be a part of this historic event. We are a non-profit organization (501c5) dedicated to the purpose of promoting and representing agriculture in Solano County for the benefit of our members and community; and agriculture in the State of California at large. From issues such as the Delta which is in our County, to members losing their land from the loss of the Williamson Act, we are there to give support and lend a hand so our farmers can continue farming and we can fight these issues for them.

The celebration will be Friday January 19, 2018 at the Sunrise Banquet Hall and Event Center, 620 Orange Drive, Vacaville, CA 95688. At the event we will have a history of Agriculture in Solano County in the way of video feed and Distinguished Service Award presentation. As an important part of our business community, we hope we can count on you to participate at one of the proposed sponsorship levels and help us make a memorable event for our community. Sponsor logos will be prominently mentioned and displayed on all of our promotional material, press releases, banners and the Solano County Farm Bureau website.

We thank you for your time and consideration of this request, and for your ongoing support of the Solano County Farm Bureau. Included with this letter is the sponsor levels available for the event. Please do not hesitate to call if you have any questions.

Thank you!

Solano County Farm Bureau
