Trish's estimated birth date is 12/1/05. She is a stunning, tan, sixty-pound girl who loves people and going for car rides. Look at her beautiful smile! Trish is a playful girl who loves chasing tennis balls and who can't get enough of her squeaky toys.

Because she can be high energy, she would be best placed in a home with older children and without small animals (dogs and cats). She is a sweet girl, who needs a family with lots of love and patience to give her a second chance on a new life (Trish suffered a suspected traumatic past).

She gets along great with most male dogs, but doesn't care much for female dogs. Trish is house trained, spayed, and up to date on vaccinations and vet care. Breed experience required
