Dear Pastor,

Thank you for taking the time to consider our ministry! My name is Stephen Jenney, missionary to the Southwestern United States.

God has called my family to reach the lost, train new Christians and begin new church plants in the Southwestern region of our country. Our desire is to see the seed of God's Word sown throughout the United States. We plan to begin a new church in San Clemente, California, a city of 70,000 people where there is no Baptist church within about 30 miles. We also plan to partner with Baptist Church Planting Ministries when we get to San Clemente. BCPM has helped start 156 churches. 96% of those churches are still going strong today and are giving over 4 million dollars to missions annually.

I graduated from Ambassador Baptist College with a degree in Pastoral Studies in May, 2011. After graduation, I continued serving at Emmanuel Baptist church in Kings Mountain, North Carolina. While there, I taught in children's Sunday School and led in a nursing home ministry. A year later, I moved to the Buffalo, New York area to assist at my father-in-law's church. My wife and I have been serving at Shalom Baptist Church in North Tonawanda, New York for about four years. Here I have been substitute preaching, leading the youth group, teaching the discipleship Sunday School class and helping lead in local outreach including visitation and witnessing.

God has placed a burden on my heart for several years to begin a church planting ministry to the West. We are sent out of Shalom Baptist Church and serving with World Wide New Testament Baptist Missions.

We hope to be a blessing in the ministry of deputation and look forward to reaching the Southwest with the Gospel of Christ. Please prayerfully consider allowing us to present the burden God has laid on our hearts to you and the people of your congregation. May God bless your ministry as you seek to further His Word through His Great Commission.

Because of Calvary,  
Stephen, Charity, Judson and Samuel Jenney

## Salvation Testimonies

Stephen:

“I grew up in the Catholic Church. When I was a young boy, I was concerned about life after death knowing that everyone will die someday. I was also very curious about the truth of life and about God. It was not until late in high school that I actually began a search for truth. I found a book about the end times that explained salvation. While reading this book at the age of eighteen, I acknowledged my sinful condition, knelt down on my bedroom floor and accepted Christ for my salvation. After graduating high school, I moved to the Chicago area to attend a trade school. It was there that God led me to an independent Baptist Church and called me into ministry. A year later, I began studying at Ambassador Baptist College where God began to work in my heart about a church planting ministry. Through the preaching of God's Word, circumstances, experiences, counseling and desires that God has placed in my heart, I have surrendered to God's leading to plant churches in the Southwest.”

Charity:

“I was born into a Christian home, where I was privileged to hear God's Word consistently. When I was around four or five, I remember being with my older brother Daniel who was witnessing to me. I believe that day was the first time, in childlike faith, I asked Christ to forgive me of my sins and save me. Most of my life, I have had a desire to share God's forgiveness with others and to be involved in full-time ministry. In the fall of 2010, I began attending Ambassador Baptist College where Stephen and I met. God eventually lead our paths together and, in November of 2013, we were married. God has blessed us with two wonderful boys named Judson and Samuel; it is our desire to raise our boys to take part in the ministry as we serve the Lord.”

## AMBASSADOR BAPTIST COLLEGE

STANDING UPON THE WORD OF GOD SINCE 1989  
DR. ALTON BEAL, PRESIDENT      DR. RON COMFORT, CHANCELLOR

Dear Friend:

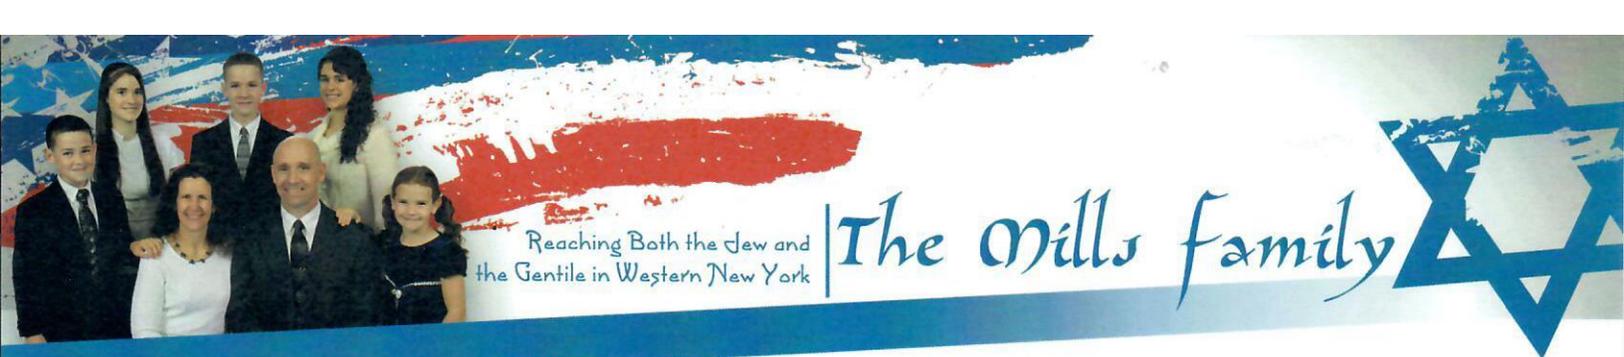

As is the case with many of our graduates, Stephen and Charity Jenney met while students at ABC. During their time as students, they both displayed a genuine love for the Lord and a desire to serve Him. Since their time in college, they have been serving in the trenches of the local church and learning much.

I am delighted to know that God has called them into the ministry of church planting out west. Stephen is a hard worker and is persuaded of his calling. Charity is well acquainted with the rigors of ministry since her dad is a pastor and she has such sweet spirit. God has prepared them for the work.

Would you consider supporting the Jenney family as they seek to spread the Gospel out west? I thank the Lord for raising them up and pray they will do a great work for God.

Under His Wings,

Alton Beal

Dear Pastor,

It has been my privilege over the past four years to have Stephen Jenney ministering at Shalom Baptist Church. I have witnessed his burden for God's call on his life to plant churches in the Southwest.

Stephen has been active in all areas of ministry; such as, preaching at nursing home, preaching at children's church, teaching the teen class on Wednesdays, teaching a discipleship Sunday school class, going out on visitation, using his vehicle to bring folks to the services of our church, as well as, other locations of ministry. He has been used to fill the pulpit of Shalom Baptist Church on many occasions. Several times he has been asked to preach without prior notice. He has always been prepared and souls have been challenged by his preaching. I am blessed to have Stephen for a son in law.

It has also been my privilege to be the father of Charity. She has always had a very consistent testimony of incredible integrity and proven trustworthiness since early childhood. Every father should be so privileged and honored to have a daughter such as Charity.

If you could have Stephen, Charity, and their family for a meeting at your church, I know they will be a blessing. If you have any questions, I can be reached using the above contact information.

REACHING BOTH THE JEW AND  
THE GENTILE IN WESTERN NEW YORK

Dear Pastor,

I want to recommend to you Brother Stephen Jenney. Brother Jenney worked here at Liberty Baptist Church in our Summer Missionary program.

Over the years, we have had dozens of young summer interns work for Liberty Baptist Church. Stephen was one of the outstanding examples of Christian leadership. He was a faithful worker and consistent in his attitude and willingness to serve. The summer that Stephen was here, we collectively knocked on tens of thousands of doors. Even in extreme conditions, Stephen never showed signs of fatigue or unwillingness to go out and serve the Lord.

I believe God will use him in a great way in the southwest. I am so thrilled to recommend him to your ministry.

Sincerely,

David Teis

## Doctrine

We believe.....

...in the Verbal plenary inspiration of the Old and New Testaments and the preservation of God's Word through the Hebrew Masoretic Text and the Greek Textus Receptus. The King James Version is the only complete English translation of the Bible originating from these texts alone. The King James Version is the complete Word of God in the English language.

...speaking in tongues and the working of sign miracles ceased upon the completion of the New Testament Scriptures.

...that God is three persons in one: Father, Son, and Holy Spirit. God created the world in six literal twenty-four hour days.

...Christ was born of a virgin, lived a sinless life, died for the sins of all mankind. Salvation is by grace, through faith in Him alone, based on the finished work of Christ. He rose again three days later and ascended back into heaven where He is interceding on behalf of believers.

...the Holy Spirit indwells believers at the moment of salvation; this is called baptism of the Holy Spirit.

...all men are sinners and come short of the glory of God. They are all in need of salvation and unable to save themselves.

...Heaven and Hell are literal places. Man has the freedom to accept or reject the grace of God. When accepted, the believer is eternally secure.

...the local church is God's institution to carry out the Great Commission. The two ordinances of the local church are baptism by immersion for believers only and the Lord's Supper as a memorial. There are two offices of the local church: pastor and deacon.

...in the pretribulation rapture of believers, the premillennial return and literal millennial reign of Christ. Believers will be judged at the Judgment Seat of Christ and unbelievers at the Great White Throne.

...it is the obligation of every believer to live holy lives and witness to the lost of the saving power of Christ.

...all forms of compromise with liberalism, ecumenism, neo evangelicalism and the charismatic movement should be avoided.

## The Southwest...

...is home of the largest Indian reservation in the U.S. This is the Navajo reservation located in what is called the "Four Corners" of Arizona, Utah, Colorado and New Mexico. This is the only place in the U.S. where four states meet.

...contains the largest amount of Mexican immigrants in the United States. Southern California holds the majority followed by Texas.

...is generally hot and arid with much of the land being desert dotted with cacti. The exceptions are the coastal areas of Southern California and the higher elevation areas where you can find forests.

...finds its life line in the Colorado River. Its waters sustain more than 36 million people as well as a great majority of our nation's food supply.

...holds Catholicism as its dominant religion followed by Mormonism. With the influence of Native American traditions, the New Age movement is taking a strong foothold in the Southwest.

....is the fastest growing region in America.
