

Who is God, Anyway?

A look at what the Bible reveals about God's character.

Lesson 1

In the Beginning

Genesis 1:1

In what ways do you see God as being creative?

Do you think it is important that God is creative? Explain your answer.

What do you feel is the difference between 'work' and 'creating'?

Romans 1:19-20 tells us that God's invisible qualities can be clearly seen through creation. What characters of God do you see in nature? (For example, what do the changing seasons, the varied colors and types of animals and plants, nature's interdependence on each other and its adaptability reveal about God?)

Exodus 20:2-5

What does this scripture reveal about God's character?

Why do you think it is so easy for what was created to be worshiped instead of the one who created it?
