

## Check Out LinkedIn's New Jobs Browsing Experience!

The screenshot displays the LinkedIn 'Engineering Jobs' page. At the top, the LinkedIn logo is on the left, and 'Back to LinkedIn.com' with a user profile picture is on the right. Below the navigation bar, the page title 'Engineering Jobs' is followed by 'Job titles and descriptions' and a count of '750,912 Engineering Jobs'. A section titled 'Browse 14 types of engineering jobs' lists various roles in a grid: Engineer, Technician, Industrial Designer, Chemical Process Engineer, Product Development Engineer, Electrical Engineer, Software Developer, Embedded Software Engineer, Telecommunications Engineering..., Avionics and Flight Engineer, Civil Engineer, Hardware Engineer, Control Systems Engineer, and Technology Manager. A link 'See less engineering job titles' is at the bottom of this grid. Below, the 'Popular engineering jobs' section shows four job listings with company logos and details: 'PHP Developer' at IT Resources Corp (Tampa, Florida), 'Senior Mechanical Engineer' at Cricut (South Jordan, Utah), 'Director of Manufacturing' at Panasonic Energy of North America (Sparks, Nevada), and 'Machine Operator' at Elwood Staffing Services, Inc. (Longview, Texas). A link 'See 750,912 engineering jobs' is on the right.

Have you spent hours, days, or even weeks scrolling through hundreds of job listings trying to identify the "perfect job title" that fits your interests? You're not alone. One of the biggest challenges job seekers have is knowing what types of jobs to search for in their [job search](#), or even which jobs exist.

LinkedIn heard you and as a result launched new job pages designed with the job seeker in mind. Now, job seekers and students unfamiliar with the professional landscape can browse job titles within various job functions (e.g. [sales jobs](#), [human resources jobs](#), or [marketing jobs](#)). LinkedIn surfaces popular job titles and listings, as well as top cities and companies for a particular job.

The screenshot shows the LinkedIn Jobs page for 'Marketing Specialist Jobs'. At the top, there are navigation links for 'Jobs', 'Companies', and 'Salaries'. The main heading is 'Marketing Specialist Jobs' with a subtitle 'Explore top cities, companies, and open jobs.' and a job count of '46,506 Jobs'. Below this, there are two sections: 'Top cities for marketing specialist jobs' and 'Top companies for marketing specialist jobs'.

Top cities for marketing specialist jobs		Top companies for marketing specialist jobs		
New York, New York (1974)	San Francisco, California (904)	Dollar... (1344)	Acosta (679)	North East... (207)
Chicago, Illinois (714)	Los Angeles, California (659)	The... (110)	The Job... (98)	Berkshire... (87)
Dallas, Texas (553)	Atlanta, Georgia (536)	Ecco Usa (79)	Premium... (71)	Kaplan (67)
Houston, Texas (460)	Washington, District Of... (427)	Interactions... (62)	ActionLink (56)	Bank of... (55)

As you browse job functions be sure to check out salaries as these can vary between job titles. Easily navigate to the [salary](#) explorer, Jobs home page to search for job listings, and take a look at companies you're interested in to make informed decisions about your career.

One decision you might be considering is whether or not you want to be your own boss. Nearly 34% of the workforce is made up of freelance workers and half say they would never go back to a traditional work environment. Explore all the remote possibilities as a [freelancer](#).

Finding your first job out of college has never been easier!
