April 24, 2017

Dear PAS Supporters/Vendors;

Once again the Philippine American Society (P.A.S.) of the Palm Beach County, Florida is celebrating its 18th Annual Summer Festival on June 10, 2017. This celebration is to coincide with the Philippine Independence Day which is nationally celebrated in the Philippines on June 12. What a day to usher in the summer of 2017 here in the sunshine state of Florida!

This year's theme is all about "Explore Philippines". The theme depicts what Philippine as a country has to offer. In addition to its beautiful beaches and sumptuous cuisine, when one visits the Philippines, there are more to these than one expects. From the old Spanish influenced edifices, old churches, white sand beaches, natural resources, nature and the wild, the hospitable and beautiful people, to the modern world of business infrastructures – the Philippines has more to offer for your exploration.

Here in South Florida, the Filipino community through its organization ensures that their culture is sustained, their traditions are preserved and their heritage is shared with future generations of our society. Through this Summer Festival, the Filipinos are able to showcase their culture, traditions and heritage to the rest of the community where they exist. At a very minimal entrance fee of \$10, our visitors will have the opportunity to EXPLORE and learn about Filipinos: The people, the food, the fashion and the cultural arts to be presented at the program during the entire day.

We invite everyone to come and be part of this year's 18th Annual Summer Festival. Your entrance fee of \$10 goes beyond your entertainment for the day. Also it goes to PAS's various community outreach programs, such as: Scholarship, Assistance to less fortunate (here and abroad) and family-oriented activities to name a few.

Come! Celebrate our Independence Day with us at this year's 18th Annual Summer Festival!

As always, thank you for your support.

Sincerely,

Cristina Regino
