

How can you harvest the fruit of new, stronger Church Leadership, in just three short days?

Indian River Via de Cristo A Pastor's Aid to Developing Stronger Church Leaders!

Sunday worship, Singles, Bible Studies,
Seniors, Shut-ins, Children's Church, Childcare, Choir, Missions
Evangelism... The list of ministry needs is almost endless. As a
pastor, you can't save the lost, support your congregation and
serve your community all alone. **Lay leadership is essential!**

But how can you transform church members into more
responsible, active lay leaders, when your plate is already
full? Consider **Indian River Via de Cristo**.

Indian River Via de Cristo is the local expression of
a 45 year-old lay ministry, specifically designed to develop lay leaders — just
for You, and Your Church! As such, Cristo hosts 3-day weekends for born-again,
baptized believers of all denominations. So they can renew their faith... build
their leadership skills... firmly grasp the piety and study tools they need... and
enthusiastically go back and bloom right where they're planted — in their
homes, and in your church!
