## 'Major Title Release for the Final Book in Grace Call Communication's FREE-ONLINE Novel Series'

***Sunrise, Florida***- The lights aren't out just yet on the Suspended-Release of book two, and now the publisher of The Decks and the Road Novel Series is adding to the audience anticipation with a sudden and major title release. If you've been following the series, you know that the president of Grace Call Communications, LLC and writer of the series is known to blind side readers. The author will complete the series with an unforgettable and reminiscent title.

If you're new to The Decks and the Road Novel Series, you'll want to begin with Freeborn. The book which ended earlier this year was certified by the company itself as "Brilliant" and is followed by the current release of Erased. Don't miss this series that takes readers on a ride into the blemishes of family and family business. If you choose to jump right in, you're still in time for "The Final Chapters" of Erased which begins on Aug. 10th.

The company also wants to warn readers against purchasing any copies of these copyrighted works that are currently only available in digital format. Read the author's version of Erased and other books from this series online at: **[thedecksandtheroad.blogspot.com](http://thedecksandtheroad.blogspot.com)**
