Thank you for your prayers and giving. Your kindness goes a very long way and makes a **major difference** in the lives of many. God is doing great things in Haiti!

Our Twentieth Year!

Summer 2018

Sponsorship and Ministry Needs

Your PRAYERS, Solace Baby SPONSORSHIP, Donations to buy FOOD & MEDICINE, Funding for rising FUEL costs and 30 Haitian STAFF salaries, Funding to buy Solace SUPPLIES in Haiti (blesses Haitian economy), Funding for remote TRICON Clinic, Disposable DIAPERS (small & medium), Baby WIPES, Baby FORMULA, Powdered WHOLE Milk.

Solace Nutrition Hospital cares for about 20 little ones at any one time. The results are phenomenal. With your help, we have been able to provide nursing care 24/7, medications, physical therapy, healthy food, and more. This gets the child on the right nutritional track during the critical years of development. Our goal is to keep the child out of the orphanage and keep the family together.

Two-year old Germain Schneille came to Solace in January weighing only 5-1/2 pounds.

You can see by her recent picture she is doing a lot better. She remains a patient at Solace until she reaches her ideal weight. Germain is one of many children alive today only because of the generosity of Solace sponsors.

Thank you!

Thank you, **Revive Church** of Stuart, Florida for the funds for our new dental facility. This all started as a shipping container! Dental care is critical in Haiti. Tooth infections can even cause death in some cases. We are excited about our grand opening in August.

Church in the Park from Perry, Georgia did AMAZING work and ministry at Hope Alive in July. Along with their projects and organizational activities, they were able to minister and share God's love with 2 orphanages, over 300 kids during evening programs, and of course, the Solace babies. Thank you!
