Thank you for helping us keep "hope alive" in Haiti. Folks like you keep the ministry moving forward and provide blessings to the Haitian people. We are indeed making a difference!

Our Twentieth Year!

Fall 2018

Sponsorship and Ministry Needs

Your Prayers, Solace Child Sponsorship, Donations to buy Food & Meds, Funding Energy costs and Haitian salaries, Funding to buy Solace supplies in Haiti, and for Tricon Clinic — Disposable Diapers, (small and medium) Baby Wipes, Baby Formula, and Powdered WHOLE Milk. Call 609-234-3629 for the latest needs.

Solace Nutrition Hospital

On the next page, you will see a handful of Before and After Photos of Solace babies.

Through prayers and love, a 24/7 nursing staff, doctor care, medicine and nutritional food, Solace saves children from dying of complications caused by malnutrition. After they are well enough, Solace returns them home to their families. For many more months, Hope Alive walks alongside these families through the "Mom-Tot" program, providing food and education.

There are about 1000 orphanages in Haiti. That's not good, because 85% of kids living there have parents. Most of us can't imagine how a loving mother can give up her child. It is because she is unable to care for him, and she is led to believe the orphanage can do a better job. Not true!

Please help us encourage moms to keep their children. Solace/Mom-Tot sponsors are keeping families together! If you would like to make a difference for a child, please let us know.

"We ❤️ chubby kids!"

Marise, Head Nurse (above) is one of 3 Hope Alive staff who has served with us for 20 yrs. Below are 2 of our newer nurses: sisters Elodie and Jose. Junide (Mariani) and Sonia (Tricon) are not pictured. Our staff of 30+ loves Hope Alive. We've always treated them well. Can you help us help them?

Three Benefit Concerts In October!

Hope Alive has had terrific benefit concerts yearly since we started. This year, as we celebrate 20 years of ministry in Haiti, we are privileged to have 3 uplifting concerts in the Medford, Marlton, and Browns Mills areas. ALL proceeds will go to operations of this ministry in Haiti. Leslee will give a brief report at each event, and be available for questions afterward.

We are honored and thankful to the pastors, talented musicians, and support people who are making these events possible. See page 3 for details. **Please plan to come!** If you would like a digital copy of the poster to share, just let us know.

Thank you!

Our remote Tricon Clinic

A Hope Alive! Missions trip to Haiti will probably be the most challenging but most rewarding event you have experienced in your life! This is NOT a vacation, however, you will be blessed "beyond measure". It is rough and it is tough...it is heartbreaking....but heart lifting! It will change the way you see the world!

Meet our Dentist, Tryphose Lamy (right). She is pleased to be working at SmilesAlive! our newest facet of ministry. We now provide dental care, including extraction, filling, cleaning, dental repair, and prostheses for many folks in the area.
