

Care to Ride

Care to Ride is a personal errand/ride business, serving people who need a little extra help. This service is for SENIORS who no longer drive yet want to remain independent, BUSY MOMS who need an extra hand, ADULT CHILDREN who need assistance with their parents, or ANYONE who needs a ride.

We offer THREE different services:

Pick-Up/Drop-Off Service	Through the Door Service	Errand Only Service
Price per Minute	Price per Hour	Price per Hour
<p>\$1 (no minimum)</p>	<p>\$39 per hour (One-hour minimum) Pro-rated in 15 minute increments after the first hour.</p>	<p>\$30 per hour (30 min. minimum) Pro-rated in 15 minute increments after the first 30 minutes.</p>
<p>This service works like a cab. If you just need to be dropped off, and picked up, and don't need us to stay with you, then this is the service for you.</p>	<p>This is our signature service. We don't just drop you at the door, we come in and stay with you for the duration of your appointment.</p>	<p>This service is where we do the work for you! We run your errands, while you stay at home.</p>

* The services outlined above are offered by Care to Ride, LLC and are subject to additional terms and conditions.

So, if you **Care to Ride**, please give us a call. We look forward to serving you!

DEB

Deb Oldroyd worked as Vice President of Information Technology for 15 years, and Robyn Rausher-Fellows worked as a graphic designer at various companies for 5 years. Deb has been married for 31 years and has one daughter. Robyn has been married for 30 years, with 2 daughters. We were both stay at home moms and are returning to the workforce now that our children are grown.

Over the years, we've both cared for people who have needed a service like this, hence, **Care to Ride** was created!
