FE LAFAYETTE GREENS UTILITY METERING CHARGES

AUTHORIZATION FOR ELECTRONIC TRANSFER OF FUNDS

Please be advised that your account must be current before we can initiate transfers. If there are any outstanding amounts, indicate your preference below. You may reach us via any of the contacts listed above for the current status of your account.

- I am enclosing payment for all outstanding amounts.
 I authorize **Fair Energy Submetering** to withdraw sufficient funds from my bank account to bring my utility account to a zero balance.

Fair Energy Submetering Company is enrolled in the First Bank Electronic Transfer program for payment of utility charges. If you wish to participate in the program, fill out the information requested below. This letter is authorization for **Fair Energy Submetering Company** to withdraw the amount of your utility metering charges from the account identified below on a monthly basis. This authorization is to remain in full effect until Fair Energy Submetering has received written revocation.

Please attach a voided check to provide the bank name, bank routing number, and your account number. We cannot accept authorizations without the voided check.
