

Looped End Wet Mops

Mop Master

Yarn Color

The Mop Master delivers the advantages of looped end yarn but does not have a widespread tailband. The result: premium performance and longevity, economically priced just above a cut end mop. Available in small, medium and large.

4 ply, looped end, 100% cotton yarn.

Outstanding durability with excellent absorption.

Looped ends minimize linting, deplying and snagging.

Outlasts cut end mops three to one.

Small, Medium and Large packaged in “brick” form.
