

## Wet Mop Frames and Handles

### Simplex™

Made of high-strength engineered plastic, the Simplex holder features a quick-action side gate that makes mop changing a snap. Mop slides on or off in seconds. Wood or fiberglass handles.

Designed for narrow-headband mops.

Self-locking thumb wheel applies constant clamp pressure to hold mops securely.

Threaded collar locks holder to handle—won't slip or loosen.

Available in wood or fiberglass in 54" or 60" lengths.
