

## Microfiber

### Carpet Bonnet

Color

Our carpet bonnets use less water and chemicals, and because they are highly absorbent, carpets dry faster. They are also effective on hard-surfaced floors for 175-300 RPM buffing applications. These bonnets are launderable, blue, and available in 17", 19" and 21".

- Reversible.
- Highly absorbent.
- Highly durable microfiber.
- Great for hard-surfaced floor.
- Polyester and Polyamide blend.
