

## Zipline II®

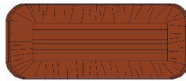

### Zipline II® Launderable

Yarn Color

This advance design dust mop provides an engineered balance of dust pick up and launderability. Short cut center yarn puts more yarn ends on the floor, and resists tangling during laundering.

- 4 ply, cut end, 100% cotton yarn
- Four rows of yarn for extra dirt collection.
- Available in sizes from 12" to 72" to fit Zipline frames.
- Natural yarn is standard but the following colors are available by special request: red, yellow, blue and green.

Velcro (Zipline Only)
