

Finish Mop

Finish Line

The most advanced floor finishing mop in the business. The Finish Line is the perfect tool for laying floor finish and water-based sealers. It rinses easily, and dries faster with no odor, and because it does not absorb finish, is lighter, allowing for a more efficient larger-sized mop.

- 2 ply, looped end, 100% nylon or 100% rayon yarn available.
- Available in blue and white candy striped or all white yarn.
- Rinses easily, dry fast.
- Long-life, lint-free monofilament yarn.
- Maximum one-pass coverage.
- Yarn will not accumulate finish, weighs less.
