

## ZipFinisher

### ZipFinisher®

The ZipFinisher reduces floor finishing time by up to half, while completely eliminating buckets, wringers and mops. There has never been a simpler, more efficient path to beautiful floors, without spills, drips or baseboard splashes.

- Spreads finish evenly over a 24" path without clogging.
- Two-gallon reservoir minimizes refilling frequency.
- Rugged all metal frame.
- Engineered for ease of use and trouble free operation.
- Complete system includes two lambswool and two synthetic mop heads.
