

Tuway Introduces the "POLAR-PAD™"

Tough and Durable, but
Gentle on Floor
Finishes!

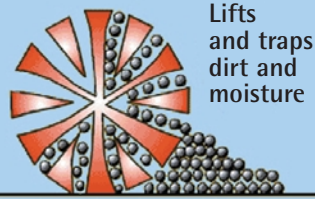

The most revolutionary advanced floor
pad developed to date, for
high-performance cleaning and
polishing of all types of finished floors.

Tuway, the leading innovator in microfiber textile cleaning products, introduces the "Polar-Pad". This advanced floor pad has been developed to maximize hard floor cleaning and polishing. Constructed of durable, highly launderable microfiber, this floor pad maximizes cleaning and polishing without abrading the floor finish. Used wet or dry, this pad is ideal for both scrubbing and burnishing. Because it doesn't abrade the floor finish, scrub-n-recoats and strip-out times will be extended, saving valuable LABOR DOLLARS and CHEMICAL COSTS. When the pad gets soiled, simply wash, and the "Polar Pad" is ready for weeks of use. Finally, one pad that takes care of all your daily maintenance needs!

- Ideal for Burnishing and Scrubbing
- Will Not Abrade Floor Finish When Burnishing
- Removes Dirt and Scuffs When Auto Scrubbing
- Improves Indoor Air Quality With Built-In Dust Control
- Will Not Burn High Spots or "Donut" the Floor
- Machine or Hand Wash for Weeks of Use

Surface is cleaner. . . faster.

*Innovative Textile Cleaning
Products and Programs*

Because of its Microfiber make-up, Tuway's revolutionary Polar-Pad® can perform where other hard-floor pads can't!

Burnishing and Scrubbing – The Polar-Pad is ideal for burnishing and scrubbing and because of the reduction in abrasion, you will lengthen the times between scrub & recoats. Plus you will realize additional savings on chemicals and floor finish. This pad is ideal for daily cleaning to remove surface dirt and scuffs, and for burnishing to the original finish luster.

Will Not Burn High Spots or Donut the Floor – Because of its Microfiber make-up, the non-abrasive qualities of the Polar-Pad will enable you to polish and scrub uneven floors without the risk of burning, scoring, or donuting the floor. With a

simple application of water, the surface of the finish stays intact. As a result, the indoor air quality will be improved, as there is no dusting of the floor finish onto the pad, machine, and ultimately, into the air.

Durability/Laundryability – Unlike its traditional, abrasive counterparts, the Polar-Pad is not only extremely durable, but is capable of many launderings. A careful blend of polyamide and polyester split fibers, hold the dirt and grime until laundered, and then is ready to perform again and again. Available in sizes to fit almost every type of floor machine, the Polar-Pad will prove itself after only a short time.

- Less cleaning solutions, fewer stripping and refinishes
- Less dust, healthier working environment
- Reusable, Durable
- Extremely launderable

Only the Polar-Pad offers this many benefits from one revolutionary product!

PART NUMBER	SIZE	PACKAGED
MF-FP-12	12 INCH PAD	2 PER CASE
MF-FP-12 V (Velcro®)	12 INCH PAD	2 PER CASE
MF-FP-13	13 INCH PAD	2 PER CASE
MF-FP-13 V (Velcro®)	13 INCH PAD	2 PER CASE
MF-FP-14	14 INCH PAD	2 PER CASE
MF-FP-14 V (Velcro®)	14 INCH PAD	2 PER CASE
MF-FP-16	16 INCH PAD	2 PER CASE
MF-FP-16 V (Velcro®)	16 INCH PAD	2 PER CASE
MF-FP-17	17 INCH PAD	2 PER CASE
MF-FP-17 V (Velcro®)	17 INCH PAD	2 PER CASE
MF-FP-19	19 INCH PAD	2 PER CASE
MF-FP-19 V (Velcro®)	19 INCH PAD	2 PER CASE
MF-FP-20	20 INCH PAD	2 PER CASE
MF-FP-20 V (Velcro®)	20 INCH PAD	2 PER CASE
MF-FP-24	24 INCH PAD	2 PER CASE
MF-FP-24 V (Velcro®)	24 INCH PAD	2 PER CASE
MF-FP-27	27 INCH PAD	2 PER CASE
MF-FP-27 V (Velcro®)	27 INCH PAD	2 PER CASE

NOTE: Due to variables in floor machine pad sizes, it is recommended that you refer to the manufacturers recommended pad size required for your machine prior to ordering.

Laundering Instructions:* The Polar Pad can be easily hand washed, rinsed and either air dried at room temperature, or machine washed with drying temperatures NOT to exceed 100°-120° F. And, as with all microfiber products, Do Not use bleach, fabric softener, or harsh laundering detergents. Expect 30 commercial launderings, average, per pad.

*Complete laundering instructions are available upon ordering.
