The Big Job Duster

Part of the Zipline Series

When it comes to gym floors and other large area dusting needs, where ordinary tools just don't do, the Big Job Duster lets you cover 8' in one pass. Scissor action funnels dirt and debris into the center for easier pick up which allows this tool to pass through narrow sections of hallway. Comes complete with two Zipline frames and a curved vinyl coated aluminum handle. Velcro on the frame allows for easy attachment to the frame. No ties, no straps, easy assembly.

Curved aluminum handle is easy to grip and control. The rugged center swivel is built to last. Available in 72" and 96" models for use with 36" and 48" Zipline or microfiber heads.
