## Wall Washing Systems

### Help Mate Wall Wash Holder (PTZ Series)

Versatile, rugged plastic holder features 360 degree swivel motion, for effective cleaning action at any angle. Industrial grade Velcro attaching strips securely hold all cleaning heads, allowing for fast, easy changes. Corrosion proof and non-conductive. Made for velcro backed wall wash heads. Available in 7"(gray), 9" (gray) and 11" (yellow).

### Help Mate Wall Wash Holder (PTZ Series) - Flex Frame

Versatile, rugged flex frame features 360 degree swivel motion, for effective cleaning action at any angle. Industrial grade Velcro attaching strips securely hold all cleaning heads, allowing for fast, easy changes. Corrosion proof and non-conductive. Made for velcro backed wall wash heads.

### Wallmaster Wall Wash Holder and Handle

Rugged heavy-gauge metal wire frame that is permanently attached to a double lacquered wood handle. Patented swivel mechanism rotates 45 degrees. Corrosion resistant. Spring-loaded mechanism allows frame to rotate from a standing position with no bending or stooping.

### Trowel

Rugged trowel made from commercial grade plastic has an angled edge which allows for quick surface cleaning. Ideal for cleaning table tops, blackboards, shelves, or any other small surface area. Made for velcro backed wall wash heads. Color: blue. Size: 9" x 3.75".
