# Floor Finish Applications

### Floor Finish Rayon Wet Loop

This all rayon mop is specially designed for flawless application of today's high-performance floor finishes. Widespread design assures maximum gap free coverage in one pass; no need to go back over freshly laid finish. Launderable. Looped ends prevent linting and unraveling. Rayon yarn releases finish quickly and easily. Constructed with tailband for maximum spread. Candy-striped in blue/white for easy identification as a finish mop only. Made from 85% recycled material content.

### Floor Finish Microfiber Pad

With the microfiber split-fiber technology, these pads are the perfect tool for dusting or applying floor finish. With these pads there is no lint tracking. Excellent for open areas, lightweight and easy to maneuver. Velcro backing. Material is a 70/30 microfiber and acrylic yarn blend.

### Floor Finish Rayon Flat Mop

This finish mop is specially designed for flawless applications of today's high performance floor finishes. With up to 24" per pass, the flat finish mop covers more area in less time, while releasing finish over its entire 9" surface width. Candy-striped in blue/white for easy identification as a finish mop only. Excellent control on stairways, along baseboards and in corners. 18" or 24" model fits standard 5" wire dust mop frames. Available in rayon or nylon yarn. Made from 85% recycled material content. Launderable.

### Bucketless Mop Floor Finish System

A self-contained system perfect for applying floor finish, dust or damp mopping. Comes with a gravity fed tank, push button applicator and microfiber mop head. This tool is also ideal for cleaning areas where conventional buckets and wringers are impractical.

*Weights only 7 lbs. with a full tank. That's comparable to a 32 oz. looped end wet mop and handle.*
