

2018 SOLAR TOUR INFORMATION

In Celebration of Earth Day, April 22
Northport Energy is pleased to announce our
2018 Solar Tour!

This year, Northport Energy's Solar Tour will feature five solar installations in the Suttons Bay area, followed by a film and panel discussion at the Bay Theatre.

Solar Tour: 11:00 am - 3:00 pm

Film and Panel Discussion (Bay Theatre, downtown Suttons Bay): 3:00 - 5:00 pm

*** All Events are Free**

Download tour flyer & map at: www.northportenergy.org/2018-solar-tour

- SOLAR TOUR LOCATIONS -

The five sites chosen for 2018 are a combination of large and small, residential and commercial. There will be a Northport Energy representative at each site to answer your questions about the details of the technologies in place. We will also have fact sheets and other materials to take away.

Bahle-Mawby Residence

376 Lincoln Street, Suttons Bay Village
Residential Roof-top Solar

Leo Creek Preserve

A short walk south on the Leelanau Trail
Off-grid solar water pumping installation

Insight Optometry

200 Cedar Street, Suttons Bay Village
Commercial Roof-top Solar

Steve and Margaret Hall Residence

1790 South Meadow Ridge Lane
Residential Ground-mount tracking array

Leelanau Fruit

2900 S West Bay Shore (M22)
Commercial Ground-mount fixed array

**Sites are listed alphabetically -
Tour may be done in any order you wish.**

***Look for signs near each site to guide you to parking.**

THANK YOU SOLAR TOUR SPONSORS!
