

Educating Motivating Transforming

WHO WE ARE

A dedicated organization governed by an independent board of directors comprised of volunteers representing the community and businesses served by the Coppell Independent School District (CISD)

WHAT WE DO

Generate and distribute resources to CISD for educational, motivational, and transforming programs designed by our facilitators and administrators for our learners, our schools, and our community

WHERE WE DO IT

At all elementary, middle and high schools in Coppell ISD

HOW WE DO IT

With these Red & Black events: Run to Fund Race, Interactive Institute, Academic Recognition Banquet, Robotics Camp, Super Star Awards, Foundation Plaza, and partnering with business sponsors

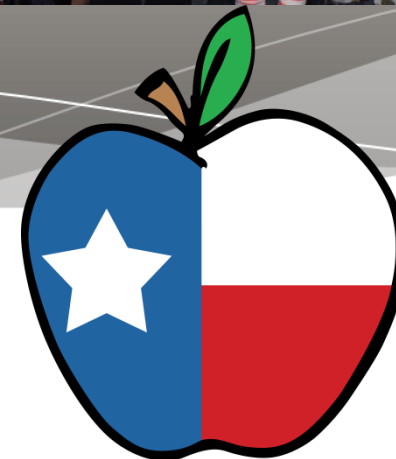

Educational Access for our Business Partners

- The Coppell Education Foundation (CEF) represents the primary avenue for businesses to invest in quality education for CISD students
- CEF business partners gain visibility among Coppell residents, schools, businesses, and key community leaders throughout the year
- CEF business partners have the flexibility to customize their investments to best benefit their company brand, employees, and customers

Funding Excellence in Coppell ISD

The mission of the Coppell Education Foundation (CEF) is to generate and distribute resources to the Coppell Independent School District (CISD) to provide funding for new innovative programs needed to meet the District's stated mission of excellence in education.

While the Foundation operates independently of the CISD, it shares a vision of enhancing education in Coppell schools. The Foundation fosters creative and innovative approaches to education through private grants. By awarding Foundation funds, CISD teachers and staff are encouraged to think and push beyond the resources provided by the district to further enrich the education of their students. The Coppell Education Foundation is a nonprofit corporation 501 (c)(3) chartered in June 2000.

Reaching Over 12,000 Students and 800 Teachers Every Year

Over 600 participants at the annual
Run to Fund
5K & 1 Mile Fun Run

CEF by the Numbers

Since 2000, the Coppell Education Foundation has made educational investments totaling over **\$1,000,000** to teachers and classrooms in every school in the district.

In the 2016 grant cycle...

- ❖ 13 grants totaling \$37,920 were awarded to various CISD campuses
- ❖ 42 grants totaling \$10,500 awarded to first-time teachers to help set up their classroom
- ❖ 12,000 students across CISD impacted by grants
- ❖ 24 grant requests were submitted from across all CISD campuses
- ❖ Over 100 volunteer hours were spent reviewing all grant requests

CEF First to Fund...

- ❖ First Year Teacher Grants – since 2013 all first-year teachers receive a grant to help set up their classrooms
- ❖ First Smart Boards – CMS West in 2003
- ❖ First iTouch – Cottonwood Creek in 2005
- ❖ First iPads – Special Education at CHS in 2010
- ❖ First School Café – Mockingbird in 2000
- ❖ Solar Car – initial funds to purchase a trailer to help start the program in 2008
- ❖ First School Gardens – CMS North in 2004
- ❖ First Weather Station – Pinkerton in 2000
- ❖ Special Olympics – seed money to the middle schools to start the program in 2004
