

# Letter from the President

2019 Dayton Valley Palmer Club

April 20, 2019

Hello Palmerites,

The first two tournaments have come and gone.

We've had winners and sad tales, huge sums of money have changed hands in the skins game, and fortunes reside in player's accounts as the result of their stellar play.

The **Cha Cha Cha** season opener saw Ryan Swagler, Lin Kennedy, Ken Keyes and their Blind Draw partner (who will remain nameless, but his initials are Alex Gentry) winning it going away.

Skins were won by many, but the biggest winners were Leo Delapp with \$274 and Jack Faulkender with \$232.00

In the second event, the new **Lone Ranger "Green Ball"**, the winning team was Ryan Swagler, Marty Colwell, Dennis Hillyard and Dennis Joseph. They only won it by 11 strokes..

Skins were won by Swagler, Hillyard and Joseph... good day for that team..

Jeff Kulm got in on the skin action, along with Lynn Radar who had the largest total of \$150

The next event gets us into the meat of the golf season with our first individual tournament of the year.

It is rapidly approaching, and will be held on May 4<sup>th</sup> with an 8:30 tee time.

Bring you're A game and best of luck to you !

Thankyou,

Brent Kidd
