# Poly Door Solutions

# Why Poly from Furnware Dorset?

## Quality & Range you can count on...

- We use an Italian paint giving a superior finish which maintains your reputation and avoids comebacks!
- We have a vast range of door options, but if you can't find the door pattern you need, we can generally match any pattern!
- Every door & panel we send out is carefully wrapped in foam, ensuring the product arrives in perfect condition.

*“We use an Italian paint for a superior finish”*

## No hassles... We do it all for you!

- We are a one stop shop for your Poly Doors – you fill out the form and we deliver the finished product, saving you time and freeing up your valuable resources.
- We cut, rout and paint your doors, and deliver to you completely finished. Our on-line form builds all this in to the price, ensuring there are no hidden costs.
- We've processed hundreds of orders with customers using our order form for their Poly Doors, proving the convenience and ease of using this simple order form.

*“We cut, rout and paint your doors, delivered to you completely finished.”*

## We look after your bottom line...

- Customer feedback confirms that our pricing is extremely competitive.

*“Up to 30% cheaper”*

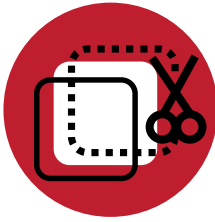

## Reliability from the moment you place your order...

- We have your order dispatched within 21 business days from receiving your order.
- We keep you updated each step of the way, and ensure any issues are dealt with within 4 hours, to avoid any delays in your production.
- If you are not 100% satisfied and any remakes be required, we have these dispatched within 7 days!
- Our Poly Doors are backed by our 3 customer promises giving you absolute peace of mind.

*“97% of our poly orders are delivered within 21 days”*

We know Poly Doors are a hassle!

Time spent cutting & routing doors

Time wasted requesting quote and supplier coming back to you

Money and time spent packaging the doors to send to the painter without damaging

Money and time spent organising the delivery of doors to & from the painter

Time spent waiting on painter to complete the job & deliver the finished product back to you

We are the solution!

Order online with instant pricing

Finished product delivered to you within 21 days

*“We are a one stop shop for your Poly Doors. You fill out the form and we deliver the finished product.”*

## Finger Pulls

In addition to the extensive range of standard door style options, we also offer two options of finger pull door styles.

Finger Pull doors and drawers are used in situations where a handle-less look is required.

**J PULL**  
FINGER GRIP

**FINGER PULL**  
45° SHARK NOSE

## Edge Details

Furnware Dorset are able to apply an edge detail of your choice to any existing door style in our pocket and centre rout door styles. These edge detail options are shown below.

Please note, when choosing a flat door style, the only difference is in the edge detail, hence there isn't provision for changing the edge detail on flat panel doors.

**A**  
SQUARE EDGE

**B**  
3mm EDGE

**C**  
6mm EDGE

**D**  
BEVELLED 45° EDGE

**E**  
OGGE EDGE

**F**  
BEVELLED EDGE

**G**  
BEVELLED STEP EDGE

# Flat Panel Doors

These 8 styles are based on a plain flat door with the 7 edge details creating the different door styles. The below Poly door styles consist of flat door panels with alternate edge details.

**LIAM**
