Community
Church

Lake Palms Community Church is Impacting the Kingdom!

Since I was appointed full-time a year ago to shepherd this congregation, we have expanded our efforts to become more than just “the church on the corner”. Rejoice with us in what God is doing ... and come join in the worship and ministry!

Pastor Michael and Yvette Carter

Friday Food Fellowship - 2pm

We distribute food and spiritual care to about 80 families on Fridays. We begin with a brief WORD of exhortation to “taste and see that the Lord is good”, followed by a prayer of thanksgiving to the Lord of Provision. We play worship music and also encourage the patrons to give a donation to help defray fuel and utility costs.

In addition to developing and cultivating relationships with those who come, we offer to pray individually with them and strongly encourage our guests to worship with us on Sundays. We are seeing increases in the number of visitors and volunteers.

God's Good Ground — is a community garden planted on church property to provide fresh vegetables to many of the 900 families in the Lake Palms Community.

Donation of a box truck for ministry: Bay Care recently donated a 16 foot box truck to use in food and equipment pick-up and delivery to serve the community. We are in process of getting insurance and licensing so we can bless others.

- Aug 2016 - Repaired ceiling in outside storage unit and replaced furniture in fellowship hall

Our efforts to make disciples – not just converts:

We recently began spiritual mentoring gatherings to become more like Christ and for all of us to live the victorious Christian life that God intends for us. Our desire is to make disciples (not just converts), because it is disciples who multiply. **Join us on Thursdays 6:30-8:00 pm.**

Newman Manor

Newman Manor is a facility to house, feed and minister to a small community willing to commit their lives and will to Christ's care and control for the purpose of total transformation and committed service to HIM. Designed to GIVE a hand up – NOT just another hand out.

Currently we have four guests living in the newly opened Newman Manor. Two were recently baptized, and we have begun a **spiritual mentoring small group.**
