BIOS

Melody Baughman graduated from Florida College with her B.A. in Liberal Studies in 2015. She immediately began working for the Fine Arts Department as the Executive Assistant and, when the opportunity arose for her to get a degree in music while working, she jumped at the chance and is now a music major. Melody thinks of music as a wonderful gift, and enjoys sharing it with others.

Melody would like to thank her parents for their incredible support as she throws herself into yet another thing. She would also like to thank the Fine Arts Department for how supportive they have been, welcoming her as a staff member and as a returning student. Certainly, she would like to thank the Moore family, specifically Mr. Moore, for inspiring her musically, and believing in her when she wouldn't. "Thanks to God for blessing us with the gift of music."

Mikayla May has finished her A.A. and is working towards a B.A. in Music, hoping to graduate in 2019. She is a member of the FC Chorus and Chamber Singers as well as an active participant in the College's chapter of NAFME (National Association for Music Education). Her goal, after she graduates, is to teach, eventually opening her own store and studio. But, singing in a rock band on the side wouldn't be so bad either.

Mikayla would like to thank her family for their undying support in her musical journey at Florida College. She wants to give a special thanks "...to my mother, without whom, I wouldn't have the confidence to follow my dreams and do what I have always loved doing since I was a small child." And, another special thanks "...to Mr. Moore who has supported me anyway he could. With all the patience he has shown towards me and my vocal problems, I have come to love and trust him very much and I wouldn't be able to do any of it without him".
