Dear FCCLA Members,

Three years in FCCLA has taught me a lot about citizenship and what it means to be an individual. FCCLA has given me a place in my school and community and I am eternally grateful. It is with this appreciation that I hope you will consider me for state office 2018-2019, in order to help me further FCCLA by cultivating a new generation of members in this truly wonderful organization.

Sincerely,

Grace Ann Traylor
