WHY DO YOU THINK YOU ARE QUALIFIED FOR STATE OFFICE?

Dear Explorers of Illinois FCCLA,

I have chosen to run this year because, after my second year of FCCLA, I have noticed just how much I have explored in such a short time! FCCLA offers everyone such unique opportunities to explore more of your own leadership potential. As your state officer, I would be more than happy to help members explore adventures through FCCLA that await you in your school, FCS education, and even your community, state, and nation! After reading that "the best view comes after the hardest climb", I hope all members of the Illinois FCCLA will be as determined and excited as I am to begin this next year of growing, exploring, and leading.
