

12. **What improvements would you like to see to the infrastructure of the village, especially with regard to new developments?**

A properly integrated plan for housing, I dislike piece meal development

Adding a doctors surgery

Additional school due to increasing numbers

Adequate parking and road calming

Adequate primary school facilities, local NHS surgery

Another School

Appropriate to surroundings and capacity of services

Better access to transport links between Cholsey meadows and village

Better cycle path and pavement and lights to Wallingford

Better cycling routes to Wallingford

Better drainage to prevent flooding, more cycle paths and shops at the Fairmile

Better road surfaces and footpaths

Better shopping in village

Better shops, better road surfaces

Cholsey is big enough we are surrounded by farming lands grade 3 agriculture and flood plans

Coordination of developments

Cycle pathways

Cycle routes

Disabled access to both platforms of the station

Doctors and School

Doctors surgery

Doctors surgery

Doctors surgery and dedicated cycle path

Happy as it is

Investment in local infrastructure

Money to assist the building of the Tree house Eco school

More parking near Tesco and new shops

New things for adolescents

none

Nursery, Schools

Parking

Parking

Parking at the station

Parking in the village centre

Parking solution

School appropriate parking

Schools

Second school

Shops and Schools in Cholsey Meadows

Sky Scrapper / High Rise buildings

small scale new housing in sites like the BT exchange in keeping architecturally. Better cycle provision traffic calming

The more the merrier

The village centre could be prettier

Wider footpaths/linked cycle routes / public transport to Wallingford

Cholsey Neighbourhood Plan
