

13. **Can you identify any areas or features you would like to see enhanced/protected for the future?**
- Thames Path
  - More support of community ventures (though quite well supported)
  - Village shops need a facelift
  - The park/rec ground and field beyond railway tunnel at end of Sandy lane
  - Cycle routes and village activities
  - More trees a millennium wood expansion or similar
  - The riverside
  - I would like to see it stay as village and not be over developed
  - Sustainable development
  - The Forty and Park
  - Millennium wood
  - Farmers fields protected from housing
  - Rec
  - Green space
  - Green space on the periphery of village
  - Playing Field, Cholsey Marsh the River
  - Green space between Cholsey and Wallingford = by-pass
  - No through traffic
  - Protect the land between Reading road and Cholsey from development
  - Too many open spaces that could be open to fracking
  - The Forty and Village centre.
  - The Forty
  - The Tree house Eco School
  - Youth provision
  - Green spaces
  - More trees
  - The Forty, shops cleaned up
  - Village edges
  - Open space around the village - beyond the church towards Didcot
  - More use of the school forest area
  - The Forty and Church
  - Better green ways especially a new one link Cholsey Meadows
  - Children's services
  - Natural environment
  - Footpath along Wallingford Road
  - Ilges lanes to Wallingford road
  - Village centre
  - Guarantees of non-development for pasture land
  - our village heritage
  - Cycle routes
