PACCOA invites you to the 20th Anniversary Conference:

Directions in Corrections: PACCOA 20 years and Beyond

13 – 16 March 2018

Celebrating 20 years on the learning journey together

Welcome

Welcome to Gubbi Gubbi (or Kubbi Kubbi) Country, and the Sunshine Coast of Queensland, the host city of this years' Probation and Community Corrections Officers' Association (PACCOA) conference! It is my pleasure to welcome you on behalf of the PACCOA Executive Committee.

The theme of this conference, **Directions in Corrections: PACCOA 20 years and Beyond**, was the fruition of many long discussions among the Executive. The topic was determined to allow PACCOA members to take a look back at community based offender management over the past 20 years and to also help look to the future of offender management.

This year we have reviewed the feedback from the last conference and have amended our program into a format that many people asked for and we have included more workshops! This has allowed us to involve many more wonderful presenters in the areas of community based corrections and provides conference attendees with more opportunities to attend workshops which are interesting and relevant to their personal preferences.

About the Sunshine Coast

Considered one of Queensland's premier holiday destinations, the Sunshine Coast is home to both a perfect coastline and a beautifully lush hinterland and has everything you need to relax, shop and dine. The Novotel Twin Waters Resort is just 10 minutes from the Sunshine Coast Airport; step off the plane and onto the beach!

The Conference Venue

Nestled alongside the Maroochy River is the 4 star secluded beachfront resort described as one of the top Sunshine Coast places to stay. The accommodation provides an idyllic setting as a conference or meetings destination. Among 36 hectares of natural bushland are in excess of 10 indoor function spaces including the 1,400 person capacity versatile conference centre and endless outdoor options encompassed by a picturesque beach-lined lagoon.
