Brisbane Therapy Connect is registered for provision of SLP services under Medicare Enhanced Primary Care Plan (EPC)/Chronic Disease Management Plan (CDMP). Your child's GP can provide a referral made out to Brisbane Therapy Connect to enable your child to claim a Medicare rebate of \$52.95 per session for 5 allied health sessions per year. This can be claimed in any Medicare office however parents will be required to pay the full cost of the session on the day of service.

We are also a registered provider for Helping Children with Autism and Better Start Initiative and some Private Health Insurance Companies. We encourage you to phone your Health Insurance Company to clarify rebates and annual limits for Speech Pathology services.

For those families using Department Social Services Helping Children with Autism and Better Start Initiative, a copy of the Letter of Introduction is essential to set up the payment scheme, please provide with the return of the service agreement. It is the parent's responsibility to monitor and advise of funding levels. In the event that there are insufficient funds to cover the cost of therapy sessions or therapy resources that have been provided the cost will be billed to parents privately.

**Payment.** Electronic funds transfer, credit card, and cash payments are available.

**All fees must be paid on the day of service.**
