

TASTE OF CITRUS HEIGHTS

APRIL 28, 2017 6PM-9PM
PRESENTED BY
GFWC CITRUS HEIGHTS WOMEN'S CLUB

SUPPORT OUR POLICE

Proceeds from this event go to the GFWC Citrus Heights Women's Club. We are dedicating funds from the event to the Citrus Heights Police Department to help them fund a workshop for officers and their families that teaches coping with post-traumatic stress incurred in the line of duty. The department currently does not have funding for these types of mental health programs, so we are working with the department to see that our officers receive this much-needed support. We love our CHPD!

You can support this program by donating cash, gift cards and raffle prizes. Show your support for the CHPD!
