

TESTIMONIALS

- ANI WILSON

Ani was a closing keynote speaker at our 2018 Health and Wellbeing Summit. She gave a powerful uplifting session that was enjoyed by our delegates and was rated as one of the top three speakers at the Summit, one sixth rating her the top speaker overall. Ani is a great speaker, professional to deal with, and I thoroughly recommend her as an inspirational presenter and keynote. I wouldn't hesitate to invite her to speak again at future events.

Kathryn Hall, Conference Producer, Conferenz

Ani addresses an important and often difficult to raise issue, with a tremendous amount of insight and positivity. High-quality Information is delivered in an accessible and intuitive manner, and you leave the session with a sense of taking back control

Steven Travers, Regional Advisory Committee Chair, Institute of Managers and Leaders

We were sitting there quite stunned with some of the life hacks that Ani came up with. I thoroughly recommend Ani as a Key note speaker; One who will surely capture your attention!

Alison Bramley, Simply Great Health NZ

Ani's story and success in avoiding leadership burnout was so inspirational and was a great opportunity for self-reflection on how much we do in our lives, professionally and personally. Great lessons for those in high-level management roles. The final words of one attendee as they left: "I could slay dragons today". Thank you so much for sharing

Amelia Northcott, Head of Engagement, SA/NT, Institute of Managers and Leaders

You blew me away and you were captivating to listen to, laugh with and learn from. You are awesome and one of the best speakers I have listened to in a long time - I felt privileged to be there.

Yvette Elliott, Senior Marketing Manager, Australian Hearing

Fascinating! I look forward to taking much of what I learnt today back to my patients!

Jane Cronin, President, Naturopathic Society of NZ

Speaking with Ani allowed me to look at things from different perspectives that I hadn't been aware of before. The certainty with which she asked me questions showed that she owns what she's good at. Through Ani's energy I felt extremely uplifted and the advice she gave me on how to shift my energy was very helpful and definitely great to apply everyday".

Susann Meinke, Global Entrepreneur

Ani brings a level of passion and humour to her speaking style on stage. She won 'Entrepreneur X-Factor' as voted by the audience beating out more seasoned speakers. She captures her audience quickly and speaks with authority and infectious energy. Highly recommended.

Mike Handcock, Chairman of Rock Your Life Enterprises, Publisher, Chair of Global Speakers Federation Summit 2018

Awe-inspiring!! Ani Wilson delivers with up beat energy, heart felt authenticity and practical relevant case studies from years of professional experience working with world class enterprises

Dave Rogers, Co-Founder of Entrepreneur X-Factor, Global Mentor and Investor
