National Wild Turkey Federation's Dr. James Earl Kenamer Scholarship Program

Yearly, graduating high school seniors submit applications for the scholarship program to their local chapter of the NWTF. WNC local chapter, the Cold Mountain Strutters Chapter out of Canton selects one deserving student's application from those submitted for a local scholarship and submits that application on to the NC State Chapter for consideration for the state and national scholarships. In 2017, their local scholarship recipient was Taten Collier from Burnsville, NC.

Students may use their scholarship at any accredited institution of higher and must be used for tuition, books, fees and housing. This is a onetime award. Most State/Provincial Scholarship Winners will receive a minimum of \$1,000. The National Scholarship Winner will receive up to \$10,000. The chapter Local Scholarship Winner is awarded \$500 and the chapter would like to increase that amount. With your support they can do that. Help support this worthwhile event by joining the fun.
