

Field Trip to Field and Stream

Grab a girlfriend to join us for lunch and a trip to Field and Stream. We will first meet for lunch and discuss what you should expect and answer questions that you may have about Field and Stream prior to going. Then we will head over to Field and Stream and walk through together to see what is available and answer more questions. Then you will be given the opportunity to explore on your own and I'll stick around to answer any questions that you may have before you leave. We will meet in Asheville at 12:00pm for lunch and then on to the Field and Stream. Transportation will be on your own. If you'd like to carpool or meet somewhere, please let JoEtta know and we can make arrangements. Total activity time is approximately 4 hours.
