

Key Points for Letters to the Archdiocese

- Holy Cross stands out as one of the few parishes in the deanery that shows positive growth in the last 20 years.
- Ease of access/great location/proximity to I-64
- Serves two counties being located on the Perry/Crawford border.
- Historic church and cemetery
- Sound finances

- Vibrant* parish life

*The stated goal from the Archdiocese in the CIS process is developing vibrant parishes. Help explain how our wonderful parish is vibrant!

*definition of vibrant: full of energy and enthusiasm

Synonyms: spirited, lively, energetic, passionate

*It is important to note that there is nothing in the definition about numbers or size, which is the reason the planning commission is giving for merging Holy Cross into St. Augustine.
