

\*E10 event taking place 20th-22nd September this year.

## The Theme

### ***Genesis 1: The Sanctity Of Human Life - In The Image Of God.***

Genesis 1 (vs 27-28) gives a clear and beautiful description of our God creating Mankind, 'So God created man in his own image, in the image of God created he him; male and female created he them. And God blessed them, and God said unto them, Be fruitful, and multiply, and fill the earth, and subdue it:" (KJV 2000)

There are three main issues that come under this umbrella theme, which we feel God impressing on us to be the focus of the event. They are:-

- 1/ Sexuality;
- 2/ the sanctity of human life; and
- 3/ the raising of the next generation.

How this would be outworked over the three days is:-

**Day 1: Within your daytime rhythm:** A call to fast during the day, as much as one is able, and to meditate on Genesis 1v 27+28. To thank God for His values and how He has made life, celebrating the sacred concept of male and female as He has created them and ordained partnership between them to be; to thank God for every life conceived and how precious each one of us is to HIM (Psalm 139)

### **Day 1: 7:30pm Confession and Repentance - *The People Gather (Ezra 10 v 9 after chapter 9, 'the prelude')***

- From the Church, with regards to how [we] have compromised the truth of God's Word by partnering with unclean spirits. We have grieved HIS Spirit and this has opened doors that has allowed the enemy to gain footholds in our Land.
- From the Church on behalf of our Nation, for how our government has legalised same-sex marriage, abortion (Abortion Act 1967), and is actively encouraging same sex marriage and same sex relationships in our young and next generations rising (Education Secretary Justine Greening);
- From the Church on behalf of our Nation, for how our media has made it their agenda to actively promote the cause of LBGT.
- From the Church on behalf of our Nation, for those scientists who are trying to force the evolution of Mankind; to alter our DNA, so we are no longer made in God's image (As it was in the days of Noah... The 'Tower of Babel'... )

***"Separate yourselves..." (ch10 v 11)***

***"Do not seek a treaty of friendship with them at any time, that you may be strong and eat the good things of the land and leave it to your children as an everlasting inheritance." (ch 9v12)***

- For the Church to see that to partner with such agendas, is to partner *against* human rights; to partner with such anti-God ordained order, is to partner *with* the destruction of Mankind, which is against how God has created *man and woman* to '*multiply* and fill the Earth and subdue it'.

**Day 2: Within your daytime rhythm:** To fast again if you can and meditate on [scripture/s to be given...]

**Day 2: 7:30pm Calling Christ's Church forth into how He sees Her -  
Declaration Day (Ezra 10 v 12)**

"The whole assembly responded with a loud voice: "You are right! We must do as you say." (v12)

**"Declaration Day"**

If people are unable to gather together on Day 2, then the declaration should be sent to those to read out [in their homes].

The declaration would read something along these lines (this is not the finalised piece):

*We declare in this Nation, the United Kingdom of Great Britain and  
Northern Ireland,  
the issues of sexuality, the sanctity of human life and the raising of the  
next generation will be honoured,  
respected and desired across all communities within our Nation.*

*We decree and declare they will be upheld and taught within the Church  
with clarity, sensitivity and wisdom.*

*You, O LORD, desire the United Kingdom of Great Britain and Northern  
Ireland will walk in righteousness,  
in Your blessing and favour.*

*So in the name of Jesus, we declare a SHIFT  
that the seven mountains of culture will come into AGREEMENT with Your  
Word and Your values on how  
You have purposed, planned and ordained life to be.*

**Day 3: Within your daytime rhythm:** To fast again if you can and meditate on [scripture/s to be given...]

**Day 3: 7:30pm Healing of the Land (a practical outworking) - 2 Chronicles  
7v14**

To meet at your chosen destination, your stakes at the ready! This can be in multiple locations - high places are felt to be significant. Your stakes can be hand-made out of wood, with a cross carved within it (even if just etched). This

wood could be a strong branch from a tree, or a piece of a wooden flower bed border, for example, with the end chiselled with a knife into a sharp point. Your stake should then be anointed, which you can either do prior or when you are at your location so the healing drips can drip onto the ground...

It is recommended you take a trowel to help dig your hole first, so that you do not risk cracking your stake by hammering it at full force for too long (and saving you energy). Your anointed stake should be driven into the ground and completely concealed, so that no-one can find it or should be tempted to pull it out if they come across it. Also, so that it isn't a trip hazard to potential walkers.

It would be good that the three days of gathering in the evenings open with a short time of worship, declaring The Lord's goodness and welcoming His presence.

We will come up with, and forward on to you, a general programme for each evening, so that all of our voices across the Nation can be in sync and therefore act as one cry up to our God. (For example, a programme with prayer focus timings from approximately 7:30pm-9:30pm on Day 1 and a suggested hour on Day 2 to speak out the declaration and pray accordingly. Day 3 can be just simply gathering at the meeting place at 7:30pm, with the event of the staking the ground taking as long as it needs to take. This is just an example and will be clarified to you in due course.)

God bless you richly and keep you in His care,
