

In December last year, The Lord caused me to read Ezra 10 and I came into 2017 with a burning desire to see the leaders of the U.K. Church come together in confession, for the sins of the Church and of the nation. Ezra chapter 9 gives a very good insight into Ezra's prayer and we can certainly see parallels in today's society as we read it. My heart could not help but be moved.

To seemingly go off track for a moment, let me share with you this important note. On new year's day 2017, God gave me Numbers 33:3 which reads, "They set out from Rameses on the fifteenth day of the first month; on the day after the Passover the Israelites moved out triumphantly in the sight of all the Egyptians."

...We were to find out, as I wondered to The Lord about whether a freedom of biblical proportion was going to occur on that day of our Gregorian calendar, that Sunday the 15th January this year was *indeed* significant: The Paris Peace Conference took place and Israel was delivered, exactly as God's Word said she would be. (William Porter, from Beacon HOP, S-o-T, can verify that this Word was given to me from The Lord ahead of time.)

The reason I share this, is because it was whilst putting the "Ezra 10 For 2017" video together (<https://www.youtube.com/watch?v=7ZIR4LTh9Ak>) that I realised there were dates given within the text. With our Father so clearly converging the calendars for January 15th this year, I had a strong feeling that God could be outlining an event He envisaged taking place for later on this year... Not only does Ezra 10 give dates, but a kind of blueprint is presented regarding how this event should be approached and carried out. It is as follows:

The "20th of the ninth month" is where *"all the people sat in the open space before the house of God, trembling because of this matter"*; the second date given is the *"first day of the 10th month"*, whereby all who had trespassed [regarding the matter] in the cities came by appointment to sort the situation out. Finally, all the *"investigations"* regarding the matter were finished in time to start the new year afresh.

Whilst I feel that it may not be that we exactly enact out how it was for the Israelites back then, I do sense God has a strategy and a plan of action He wants us to take, in order that we, as His Church and nation of the United Kingdom, get right with him. So asking Him how we do this, is key.

What I will say, is that the 20th September this year, quoted "the 20th of the ninth month" in Ezra 10, just happens to be the eve of Rosh Hashana and I find it incredible that in 2017, these dates perfectly align. During Rosh Hashana this year (20th-22nd Sept), there is also a significant alignment taking place in the celestial bodies -that of the Autumnal equinox. Says **Mara Johnson-Groh**, NASA's Goddard Space Flight Center, *"Twice a year, Earth is in just the right place so that it's lined up with respect to the sun" (Son!) "...and both hemispheres of the planet receive the same amount of daylight. In 2017, in the Northern Hemisphere... ...fall begins with the autumnal equinox on September 22nd. There will be a fleet of NASA satellites viewing it from space and providing images of the event."* (<http://www.clarksvilleonline.com/2017/03/19/nasa-prepares-satellites-alignment-planets-stars/>)

Additionally, there are many others speaking about planetary alignment, including the MPM Public Museum (1), which confirms an alignment between Venus and the star Regulus during this time (2). (I come at this from the viewpoint of seeing how God has

made the stars and has a purpose for them, even as Genesis says, rather from any occult angle.)

What also falls into line, is the number **8**. Israel had a new start, cleansed and everything put right in time for the start of the new year.

Rosh Hashana this year, rolls over into 5778, with the next new year for us being 2018.

How wonderful it would be for us, the United Kingdom, to have a new beginning under the hand of God, His blessings being able to be poured out over our nation as He desires, in time for *“the first day of the first month”*... **8 - The number of new beginnings.**

Finally, just as Ezra 10:8 says *“whoever did not come... ..by order of the officials and the elders... should be banned from the assembly of the exiles”*, I believe Holy Spirit is saying that there will be some churches, within the wider U.K. Church, that will not respond to God’s call. The number one subject on God’s heart is Genesis 1, ‘...in the image of God He made them, male and female he made them. And God blessed them, and God said unto them, Be fruitful, and multiply, and fill the earth, and subdue it:’ I would invite you here to look at the file named ‘The Theme’ that you can download, which goes into more detail.

God says, if those... *“who are called by My Name, humble themselves, and pray and seek (crave, require as a necessity) My face and turn from their wicked ways, then I will hear [them] from heaven, and forgive their sin and heal their land.”* (2 Chronicles 7:14)

Sadly, I do believe -even as Ezra 10 outlines- there may be churches within Christ’s U.K. Church who will not respond to Father’s call for confession over the matters raised in *The Theme* PDF. But I believe that God will honour the remnant, the “exiles”, who do.

(2) “In analyzing the positioning of the stars, moon, and sun at the time of September 20, 2017, there was also another alignment. Venus will be in conjunction with Regulus at this time. So at this moment, Venus, the “Morning Star” will be aligned with the “King Star”, precisely at the Christ angle. If a star navigator program is available, set it to Cairo (or more precisely to the Great Pyramid) for 5:42:24.333 am on September 20, 2017 to verify it. This is very precise and a day either way will put the scenario out of alignment in every way. But as will be seen later, there are more alignments to discuss to demonstrate the fact that the Pyramids are the products of planning by the true God who is beyond time and space.” (taken from <http://watchfortheday.org/signsoftheend/giza2024.html>)

This information is confirmed at the PLP public museum (<https://www.mpm.edu/programs/theater-planetarium/2017-sky-and-space-calendar>) There are many other Christian sites which talk about alignment during 22nd/23rd September this year, including from <http://www.fivedoves.com/letters/aug2013/luisv829.htm> **“Celestial Virgo Prophetic Patterns”**. Now, whilst I do not say I am saying ‘yes and amen’ to all of these, I find it interesting the amount of information out there regarding alignment in the heavenlies that is taking place during this time. This site speaks on how this celestial constellation may well relate to Revelation ch 12, regarding “alignments in September 22/23, 2017.
